## Green Initiative

---

### Environmental Commitment to 'Protect for Today and Sustain for Tomorrow'

2009 marked the official launch of DPI, Inc.'s corporate campaign for a greener and cleaner world. DPI is building upon environmental initiatives introduced at all of their facilities to help formulate and sustain significant and important conservation efforts within its manufacturing and marketing communities. In addition to targeting and selecting energy efficient product features, and structuring 'green office' procedures, other initial program efforts include:

- Reduction of all packaging sizes
- Recyclable plastics for clamshell packages, with a plan to eventually replace plastic with recyclable paper
- Recycled fiber board in place of the polyfoam in packing boxes
- Recycled plastics in place of the virgin material in product construction

# Warnings and Precautions

- **WARNING:** To prevent fire or shock hazards, do not expose this unit to rain or moisture.
- **WARNING:** Do not place the unit on top of any soft, porous, or sensitive surfaces to avoid damaging the surface. Use a protective barrier between the unit and surface to protect the surface.
- **WARNING :** Where the mains plug or appliance coupler is used as the disconnect device, such disconnect device shall remain readily operable.
- **Note :** This device uses an internal rechargeable lithium-ion battery that should last the lifetime of the device. If you suspect your battery may be dead after several attempts to charge, please contact 1-888-999-4215 for support.
- Never disassemble the unit or attempt to remove the battery as that could cause leakage of an electrolytic substance.

## FCC Warnings

**WARNING:** Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

**NOTE:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

## Pairing a Bluetooth Device

1. Turn on the unit and press the **Pair** button. The **Pairing Indicator** will flash blue quickly.

*When pairing, remain within 3 feet of the unit.*

2. Using the native controls on your Bluetooth device, select the "ISB202" in your Bluetooth settings to pair.

*If your device requests a password, enter the default password "0000". Refer to the user's manual for your specific device for instructions on pairing and connecting Bluetooth devices.*

3. When successfully paired and connected, the **Pairing Indicator** will display a solid blue light and a beep will sound from the unit.

*After initial pairing, the unit will stay paired unless unpaired manually by the user or erased due to a reset of the device.*

## Playing Audio Wirelessly

1. Follow the instructions for Pairing a Bluetooth Device.
2. Use the native controls on the connected Bluetooth device to select a track.
3. To play, pause or skip the selected track, use the native controls on the connected Bluetooth device or press the **Play/Pause** or **Skip** buttons.
4. Audio played through the connected Bluetooth device will now be heard through the speakers.
5. Press and hold the **Vol+ / Vol-** buttons to adjust the volume.

## Using the 3.5mm Audio Input

1. Plug one end of a 3.5 mm audio input cable (not included) into the **3.5 mm Audio Input** on the unit.
2. Plug the other end of the cable into the audio output/headphone output on an MP3 Player or other audio source.
3. Turn the unit on.
4. Audio played through the connected device will now be heard through the speakers.

*Note: Any audio being played through a connected Bluetooth Device will cease once the 3.5mm Audio source is connected.*

## USER'S GUIDE

### **ISB202S**

#### **Wireless Bluetooth Speaker**

For the most up-to-date version of this User's Guide,  
go to **[www.iliveelectronics.com](http://www.iliveelectronics.com)**

## Features

- Built-in Bluetooth speaker
- 3.5mm audio input
- DC battery power: built-in rechargeable lithium ion battery
- Battery life: ~2 hours
- Wireless range: 33 feet
- Supports Bluetooth v2.1 and Enhanced Data Rate (EDR)
- Can be paired up to 8 mobile or audio players

## Included

- Mini USB to USB charging cable
- AC Adapter

## Power

### USB Power

Requires a Mini USB to USB cable (included).

*Note: PC must not be in sleep mode.*

### AC Power

Requires an AC power adapter (included).

Initial charge time 2 hours using the AC adapter. Please make sure the unit is fully charged before use.

## Introduction

### **Skip/Volume**

Press to skip between tracks.  
Press and hold to increase or decrease the volume.

### **Pairing/Line Indicator**

### **Play/Pause**

Press to play or pause.

## Introduction

### **Power**

Adjust the switch to turn the unit on or off. Always be sure to switch to the OFF position when not in use.

### **Pair**

Press and hold to begin connecting a Bluetooth device.

## Introduction

## Introduction

### **3.5 mm Audio Input**

Requires a 3.5mm audio cable (not included).

## Charging Indicator Light

Status	Indicator
Power Off	No light
Charging	Red light
Fully Charged	Green light
